COMPANY REGISTRATION DOCUMENT CHECKLIST

General document guide for proposed directors, shareholders and registered office details

1. Proposed Company Details

- Two or more preferred company names, in order of preference
- Brief description of the proposed business activities
- Proposed registered office address
- Proposed authorised capital and paid-up capital
- Proposed shareholding pattern among subscribers
- Official email address and mobile number for the company

2. Documents of Proposed Directors & Shareholders

- PAN card
- Aadhaar card
- Recent passport-size photograph
- Mobile number and email address
- Proof of residential address, such as bank statement, electricity bill or other accepted proof
- Occupation and educational qualification details, where required

3. Registered Office Proof

- Recent utility bill for the premises
- Ownership proof, where the premises are owned
- Rent or lease agreement, where the premises are rented or leased
- No Objection Certificate (NOC) from the owner, where applicable
- Full postal address with PIN code

4. Director Identification & Digital Signature

- Details required for Director Identification Number (DIN), where applicable
- Digital Signature Certificate (DSC) for proposed directors / subscribers, as required
- Personal mobile number and email for verification and authentication

5. Capital & Shareholding Information

- Number of shares proposed to be held by each shareholder
- Face value of shares
- Amount of initial capital contribution
- Details of any corporate shareholder or foreign shareholder, if applicable

6. Business Activity Information

- Detailed description of main objects and proposed activities
- Products or services to be offered
- Proposed business sector / industry
- Any sector-specific approvals or licences expected to be required

7. Additional Information, If Applicable

- Trademark details or NOC where a proposed name uses an existing registered mark
- Details of foreign directors or shareholders
- Passport and overseas address proof for foreign nationals
- Board resolution and incorporation documents for corporate subscribers
- Any additional declaration, consent or clarification requested during incorporation

8. After Incorporation — Common Next Steps

- Open the company bank account
- Bring in subscribed share capital
- Complete applicable commencement and statutory requirements
- Obtain GST registration, if applicable
- Set up accounting, invoicing and tax compliance systems
- Maintain statutory registers and complete applicable ROC compliances

Important: This is a general checklist. Exact requirements may vary depending on the type of company, number and status of directors/shareholders, registered office arrangement and regulatory requirements applicable at the time of incorporation.
